Who I Am

I'm Dawn. A hard-working and driven developer looking to build upon my existing skill sets while both making a difference and working with teams on fulfilling and challenging projects.

Education

2019 Graduate Loudoun County High School
3.9 GPA, 1260 SAT
AP Scores:
- CS A: 4 (Passed w/o taking course)
- Lang: 5
- World History: 3

Currently Enrolled Virginia Commonwealth University
3.6 GPA, Hiatus due to Finances

Experience

Advanced Repair Agent

Geek Squad
2020-Present

Diagnosed and resolved hardware and software issues for clients across a variety of system types. Specialized in macOS/Unix work. Excelled at performing accurate and complete work as measured by client surveys.

Volunteer Software Developer

Kinstone, LLC
(Zeldathon.net)
2016-Present

Built a variety of software alongside an international team of developers in order to provide an interactive and enjoyable experience for up to thousands of concurrent viewers to raise money for charity. (Over 2m raised since 2009)

Lighting Director

Tally Ho Theater
2018-2020

Worked with touring productions to unload and set up their equipment, plan for the show, and accurately execute their vision for the evening. Other duties included maintaining lighting hardware and computers, as well as running visuals for the show.

Barista
Starbucks
2019-2020

Produced accurate drinks in a timely manner on a team that emphasizes customer experience.
