Dawn Sheedy (she/her)

dawn@dawnsheedy.com (571) 207 6461 dawnsheedy.com Richmond, VA

Who I Am

I am a technologist looking to grow with a position that pushes my years of unique experiences, technical aptitude, communication skills, and creative skills to the limit and beyond.

Education

2019 Graduate	Loudoun County High School
Currently Enrolled	Virginia Commonwealth University

Experience

Advanced Repair Agent
Geek Squad
2020-Present

Worked with a team to diagnose and resolve hardware and software issues across a variety of device types. Repaired iPhones as an Apple certified technician. Specific expertise with Linux and macOS systems.

Volunteer Software Developer
Kinstone, LLC
(Zeldathon.net)
2016-Present

Worked on a team of volunteers to create software to raise money for charity and provide an enjoyable and interactive experience for viewers. (Used: Node.JS, React, various APIs)

Lighting Director
Tally Ho Theater
2018-2020

Worked with touring productions, unloaded and set up equipment and coordinated with performers to execute their vision for the show. Maintained and upgraded the lighting equipment, projectors, and computers.

Barista
Starbucks
2019-2020

Worked on a team to make food and drinks in a fast-paced yet quality-focused environment in both the café and drive-thru, while providing quality customer service.
